PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 CFR 1.181

Sir:

A Notice of Abandonment was mailed July 7, 2005 for the above-identified patent application and cites failure to pay the issue fee as the reason for abandonment.

This Petition To Withdraw Holding Of Abandonment is being submitted, pursuant to 37 CFR 1.181, because the present application was not, in fact, abandoned. As explained heretinafter, the issue fee for the present application was timely paid by Applicants and timely received by the United State Patent and Trademark Office ("USPTO"). Thus, the holding of abandonment in this application should be withdrawn.

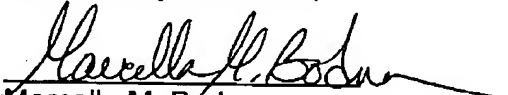

The issue fee for the present application was due April 25, 2005. Applicants paid the issue fee by timely mailing the necessary papers to the USPTO on January 31, 2005. Copies of said as-filed papers are enclosed herewith, including a completed Part B – Fee(s) Transmittal and a return postcard receipt. Furthermore, said papers were actually received by the USPTO on February 2, 2005, as evidenced by a date-stamped return postcard receipt (copy also enclosed herewith). Apparently, through no fault of Applicants, the USPTO lost the aforesaid papers and mailed a Notice of Abandonment for this application on July 7, 2005.

It is noted that this Petition is being timely filed, well before the 2-month due date of September 7, 2005. Furthermore, since this application was filed after May 29, 2000, it is believed that no terminal disclaimer is due. It is also believed that this Petition does not require payment of a petition fee.

In the foregoing circumstances, it is respectfully submitted that the present application was not abandoned, that the required issue fee was timely paid, and, therefore, the Notice of Abandonment was issued in error. Withdrawal of the holding of abandonment and acceptance of payment of the issue fee, based on the attached copies of the necessary papers, are hereby respectfully requested.
